## COMING SOON: YOUR BARRINGTON COMMUNITY STADIUM

Three major donors, all residing in district, have committed significant funding that grants naming rights (over 10 years) for the Stadium, Field and Track. The Board of Education is expected to formally announce major donors at their December 18 meeting.

In addition, a number of booster organizations and families (some listed above) have made extraordinary donations that are helping to put the "community" into Barrington's Stadium. We will keep you informed as this list grows.

The official Stadium groundbreaking ceremony is scheduled for Wednesday, December 19.
